Description

Low heavy metal red iron oxide treated with Amino Acid & Polyhydroxystearic Acid to enhance dispersion, improve skin adhesion, and deliver a smoother application in cosmetic formulations. Designed for reliable color performance and a refined sensory feel across a range of beauty products.

Key Benefits

- Improved dispersion
- Enhanced color intensity
- Smooth application
- Strong skin adhesion

Applications

- Skincare
- Color Cosmetics
- Foundations
- Sunscreens

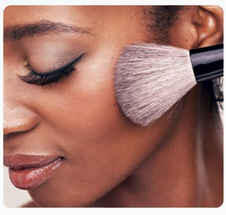

Technical Specifications

Property	Value
INCI Name	Iron Oxides (and) Stearoyl Glutamic
Particle Size	Red Iron Oxide
Treatment	Amino Acid & PHSA
Application	Color Cosmetics

About Kobo

A Look into Kobo as a company and our values.

Kobo Products, The Powder & Dispersion Specialist

Since 1987 Kobo has provided innovative, technology-based raw materials to the cosmetic industry. The product range includes Surface Treated Pigments, Microspheres, Suncare and Color Dispersions, Silicone Fluids, Specialties, Natural Ingredients, Effect Pigments, Boron Nitride and Delivery Systems. Kobo has six locations, USA (Corporate Headquarters), Brazil, UK, France, Asia Pacific and Japan (Kobo Dispatek), and is represented globally by independent agents.

Our Values

Corporate Social Responsibility

Statements & Policies

Our Actions & Goals

Diversity Equity & Inclusion

Responsible Sourcing Initiative

Climate Change

At Kobo, we are passionate about and committed to doing our part to contribute to a more sustainable and beautiful world. We believe that businesses have a responsibility to reduce their environmental impact and to promote ethical and sustainable practices throughout their operations.

It is our mission to integrate sustainability into every aspect of our business, from sourcing materials and manufacturing processes to packaging and delivery methods. Our goal is to minimize the ecological footprint of our ingredients and operations, while also supporting the social development and well-being of our employees and local communities.

Kobo is dedicated to fostering an international workplace that champions diversity, equity, and inclusion in the cosmetic chemistry industry. We believe in providing equal opportunities for all employees, irrespective of their background, and actively seek to cultivate an environment where every individual feels valued and empowered. By embracing diversity, we not only enrich our company culture but also foster innovation and collaboration on a global scale.
